# Shippax Ferry Conference 2019

Onboard Silja Line's **SILJA SERENADE**, sailing between Stockholm - Helsinki - Stockholm, **March 12-14, 2019**

The **2019 Shippax Ferry Conference** was the 17th of its kind and this year was held onboard the **SILJA SERENADE**, sailing between Stockholm-Helsinki-Stockholm, 12-14 March.

The event was first organized in 2003 by publishing house, **Shippax**, and grows increasingly popular with well over 400 delegates from almost 50 ferry companies from all over the world attending. In fact, this year proved to be the highest attendance figures ever!

The conference features professional speakers and experts, captivating debate and fantastic

networking opportunities. Sharing ideas and discussion whilst having a great time with friends and colleagues in the industry is what the Shippax conference is all about, and of course being onboard ensures a familiar and close connection between all delegates.

Speakers at this year's event included the popular ferry expert and Shippax Senior Advisor and Editor-in-Chief, Philippe Holthof, together with long time Shippax correspondent, Frederik Erdmann.

As always, **Carus** was well represented and it was time well spent shared with colleagues, customers and friends of the ferry industry.

A successful conference indeed!
